Scholarship Information:

Dear Applicant,

We are so excited that you are interested in applying for our Women in Clergy Scholarship! Christian Women Connection is an organization that rallies around and empowers women in their call to do Gospel work locally and around the world. We carry out this dream by focusing on missions, empowerment, and connection. One way we live these out is by connecting and investing in current and future leaders, to equip, educate, and empower women to build a better world. This scholarship is designated for women who are a part of the Church of God Movement, and who are currently working in or preparing for vocational ministry (church, missions, nonprofit, chaplaincy) locally or globally, and seeking a graduate degree from an accredited university and or seminary. If you fit these criteria, we encourage you to apply!
